

Custom Ring Checklist and Guarantee

I, _____ personally and the store
make the following guarantees as to the workmanship of the ring I am producing.

____ (initial) I promise the price will be \$_____ for the ring, excluding the center
diamond, and that this price is not subject to change.

____ (initial) I promise the quality of all the small diamonds will be _____ in Color, _____
Clarity, well cut without thick girdles, _____ total carat weight, and promise the diamonds
will all match, with no eye visible inclusions. All small diamonds will be full-cut, not single cut.

____ (initial) I promise there will be no porosity in this ring, even when examined under 10x
magnification.

____ (initial) I promise that any channel set diamonds will have level tables, including princess
cut diamonds, and be set evenly spaced. I also promise that the channel borders will be straight
and not wavy.

I declare the warranty on this ring is, (check one)

Lifetime on workmanship

No warranty

I promise this ring will be completely finished and ready for delivery on _____.
(date)

I promise that if the customer thinks that the style engineering is not to their liking, or thinks the
ring does not match the ring they are trying to duplicate, they are entitled to an immediate full
cash refund (not in-store credit).

I swear that I am not breaking any intellectual property laws by making this ring.

I further promise and swear that if any of these conditions are not met, the customer can have a
full cash refund of the entire price (not in-store credit).
